Notice to the Court

Comes now, Ralph Kermit Winterrowd 2nd ("Winterrowd") with this Notice to the Court as to Docket #88. Winterrowd has been unable to date to locate the information that was proffered by Judge Singleton in Docket #88. It was found on the USDC homepage, but the links do not work and no such item exists that Winterrowd could find on the 9th Circuit home page.

Suggestions as to where these could be located on the Internet would appreciated with the possibility that the USDC's home page will become functional again containing the information in Docket #88.
